

# THE OLD SCHOOL HALL, NEWTOWN, TISBURY, WILTSHIRE

Before

The Old School Hall, Newtown Tisbury, was just that until the early part of the 20th century when it was given to the Parish of Newtown for Parish Rooms. Our clients bought the property next door, in what was originally the teachers house. When the Parish Rooms came up for sale in 1999 they were keen to buy the property, if only to prevent it's unsympathetic conversion.

After

Their brief to us was to create a 3 bedroom property without compromising the spacious feel of the original property.

The original stone built Hall now has a lime rendered extension on a stone plinth providing a double height dining room, a kitchen with bedroom over and a living room, bedroom with a further mezzanine bedroom and bathroom located in the existing hall.
