

WISTERIA COTTAGE, COMPTON CHAMERLAYNE

Wisteria Cottage was a small thatched labourers cottage which had been modified beyond recognition in the 1960's.

Front Elevation, before

Front Elevation, after

This involved removing the uPVC windows, lifting the roof and adding two further bedrooms in the roof space, along with an extension to the rear of the property to provide a new kitchen and living space

The client wanted to enlarge the property to accommodate his growing family and at the same time restore the original character.

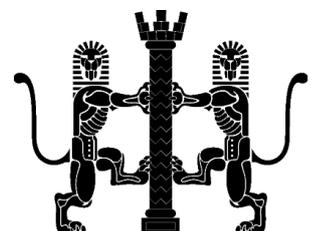

Rear Kitchen Elevation, after
